Quinoa Husk Extract*

ically-Demonstrated to Help Accelerate Surface Skin  
Turnover\* to Reveal Fresher, Newly Radiant Skin,  
while Visibly Evening Skin Tone and Refining  
the Feel of Rough Texture Over Time\*\*

3 FACTS ABOUT

# QUINOA

## THE WORLD'S HEALTHIEST SUPER FOOD

### 1 KEEPS YOU VERY HEALTHY!

It is high in fiber, minerals, proteins and anti-oxidants.

### 4 "ANTIS" EFFECTS

It contains plant compounds that have shown to have anti-inflammatory, anti-viral, anti-cancer and anti-depressant effects.

### 3 HELPS YOU TO LOSE WEIGHT

Quinoa is high in protein, which increases metabolism and reduces appetite.

## COOL FACT:

### THE QUINOA HUSKS ARE BENEFICIAL TO THE SKIN TOO!

Quinoa Husks have skin exfoliating properties. When formulated in skincare products, it increases cell renewal and improves skin radiance and texture, like in Kiehl's Nightly Refining Micro-Peel Concentrate!

## EXCLUSIVE TREAT!

With purchase of The Kiehl's Quinoa Bowl, present your receipt to redeem a **complimentary Kiehl's Healthy Skin Essential Kit** worth \$30 at any Kiehl's store!
