STEP 1

AQUAPOWÉR CLEANSER Oligo-Thermal Fresh Gel Ultra Cleansing

Enriched with non-abrasive Anisic acid and Pure Thermal Plankton to provide a gentle cleansing exfoliating effect and help to soothe, rebalance and revitalize the skin, leaving it feeling fresh, squeaky clean and ideally prepared for shaving.

STEP 2

AQUAPOWÉR REFRESHING LOTION Soothing and Moisturising After Shave Lotion

This "Splash-On" refreshing lotion is specially designed to soothe and hydrate the skin after the aggressions of a razor. An equivalent of 5000 litres of thermal spa water formulated within.

STEP 3

AQUAPOWÉR MOISTURISING GEL Oligo-Thermal Care. Ultra Moisturising

This ultra-moisturising light gel moisturiser contains the equivalent of 5,000 litres of Thermal Spa Water in every bottle. Rich in vitamins B, C, E and trace elements, it instantly quenches, cool and soothe your skin while keeping it hydrated for 24 hours, non-stop.
