

The poster features a stylized world map in the background, with various coffee-related icons scattered around. These include coffee beans, coffee cups, and coffee capsules. Some capsules are labeled with country codes like 'US' and 'SG'. A dashed line with an airplane icon suggests a global journey. The text 'TANGS Coffee Festival' is prominently displayed in the center, with 'TANGS' in orange and 'Coffee Festival' in brown. Below this, the text 'Explore The World Of Coffee All In One Place' is written in a bold, brown font. The location 'Tang Plaza, Basement VivoCity, Level 2' is listed below the main text. At the bottom, a decorative banner contains the text 'Happening Now' and 'Till 16 Oct (Sun)'.

## Italy

Italy is renowned for its espresso culture, where coffee is enjoyed in its most intense and flavourful form. Italians often savour their coffee as a quick, strong shot or in traditional styles like cappuccino and macchiato, reflecting a deep appreciation for rich and robust flavours.

## Denmark

In Denmark, coffee culture centres around comfort and simplicity, with a focus on enjoying strong, flavourful brews in cosy settings. The Danish approach emphasises a relaxed, hyggelig atmosphere, where high-quality coffee complements a lifestyle of warmth and ease.
