Choosing only the best from the French luxury brand, getting enviable locks, not to mention looks, is the ultimate pleasure in J's Salon.

You're in good hands

Rest assured that a certified Kérastase Hair and Scalp Expert is always on hand to make a diagnosis that's just right for you.

A skincare approach to hair and scalp care

Addressing your specific hair and scalp needs through a patented process, our Advanced Scalp Diagnosis is inspired by our belief that the hair deserves as much attention and care as the skin.

Customised pamper for your scalp

Be it the cleansing or replenishing treatment dose, your treatments are always customised to your scalp's needs.

Be in hair-ven

Our 11-step Sensorial Treatment includes proprietary massage techniques that soothe your every muscle, not to mention ensure maximum absorption of hair and scalp essences.

Knowing is empowering

Our stylishly furnished Scalp Bar is where your expert hair and scalp care consultant will give you insights into the science behind Kérastase and its various made-to-measure treatments.

Besides Kérastase hair and scalp care, J's Salon also provides signature perm and hair colour services. Book your appointment at J's Salon today.
