

Red Peony

Inspired by the beauty of the noble flower, J's Salon has designed a look that showcases the splendour of its colours and the gracefulness of its balanced proportions.

J's Salon Multi-Tone Highlights

Make a subtle change or reinvent yourself with a daring new look. Following a professional colour consultation which considers your personality and skin tone, a J's Salon colour technician intricately paints the selected colours around your head to create multi-dimensional radiance and a self-illuminating glow.

Our other signature services:

Rock 'n Roll Magical Perm

Discover a long-lasting perm that flows with your every move and enhances your lively personality. Combining three treatment steps with state-of-the-art ceramic technology, this professional service recreates your hair into a cascade of luscious curls.

Hair & Scalp Rituals

Indulge all your senses as you treat your hair and scalp with precious ingredients. As the Kérastase Institute, we offer the purest luxury experience, complete with private suites and a relaxing head, neck and shoulder massage, to leave your hair and body renewed.
