A CHEERFUL WINTER-WONDERLAND

WITH *Kiehl's* x *Jeremyville* LIMITED EDITION HOLIDAY COLLECTION!
SINCE 1851

THE CAPTIVATING IMAGINATION AND OPTIMISTIC STYLE OF JEREMYVILLE

Joyful, festive and enchanting, the centerpiece of the Kiehl's x Jeremyville Collection is visually inspired by one of New York City's most iconic landmarks, Central Park. This classic New York City setting has been reimagined by the artist to feature an engaging world of happy snowmen, smiling skaters, shining stars and even Kiehl's very own formulas, brought to life to infuse the warmth and energy of the holidays, making each the perfect gift to delight your loved ones during the season of giving!

ABOUT THE ARTIST

Jeremyville is a Brooklyn-based artist. His animation work has been featured on the DisneyXD Channel and has exhibited at the Andy Warhol Museum, The Madre Museum, Cooper Hewitt and most recently, a solo show at Colette in Paris. Jeremyville's new book, 'Live Life Sunny Side Up,' is based on his popular Community Service Announcement which are made up of simple, thought provoking messages that he spreads around the world through public art installations and social media.
