ABSOLUE

LANCÔME
PARIS

Inspired by Nature,

SUBLIMATED

by Science.

The secret of this exclusive Skin Signature: the Absolué Savoir-Faire. Absolué brings together the quintessence of nature with green-tech expertise.

Each Absolué formula integrates our French Savoir-Faire values: Excellence, High Precision, Technology and Passion, for Ultimate Luxury. It takes around 800 steps to create one of our formulae.

For centuries, the rose is considered as the symbol of life. We extracted the deep essence of each Rose by Steam Distillation: a process with highly precise temperatures, only dedicated to sensitive natural ingredients.

The Golden
GLOW,
«à la française».

Absolue Precious Oil is a blend of the Rose Essential Oil and 7 precious botanical oils. It instantly melts into the skin and leaves a satiny finish.

The Absolue Skin Signature: for the most demanding women, only Absolue offers the Golden Glow. Beyond light, a global combination of 4 parameters, tested by women: nourishing, revitalizing, uniformity and brightness.
