BEAUTY

Indulge all five senses in an extraordinary experience, featuring the next generation of Future Solution LX formulas.

Delight in the soothing touch of the artisanal Yutaka stone massage tool (made from Kyushu clay), while relaxing to the sounds of the Mt. Koya mountain streams.

Pure indulgence for your skin.

## EXPERIENCES

### Essential Treatment

An idyllic 50-minute treatment for resetting and refreshing the mind, body & soul.

Cleansing, softening, relaxing, regenerating and protective, this essential experience rejuvenates tired skin. Suited to all skin types in need of extra attention.

FALL

### Ultimate Moisture Firming

The ultimate moisture surge for weather-damaged, dry and lackluster skin.

60-minute of pure indulgence and skin-support in preparation for the cooler months ahead.

WINTER

### Ultimate Moisture Firming *with hand treatment*

An intensely moisturizing and firming treatment for dry, stressed and tired winter skin.

This 60-minute experience addresses dehydrated areas of the face and hands, delivering nourishment, relaxation and relief.

Highly effective in combatting damage due to harsh, cold conditions.
